SUBJECT: Indiana Chapter of IAAO Courses for April, May and June

The Department of Local Government Finance (DLGF) in conjunction with the Indiana Chapter of the International Association of Assessing Officers (ICIAAO) will sponsor IAAO courses as a continuing education offer to all assessing officials.

The DLGF will pay the registration fees for **two employees** from each Township or County to attend these sessions. Eligible registrants are County Assessors and/or Deputies, Elected Township Assessors who survived the referendum and/or their Deputies, County Auditors and appointed members of the PTABOA. All others (vendors or non-elected individuals) must submit a check for \$375.00 **once they have a confirmed seat in the class.**

In order for the DLGF to pay the registration, registrants must sign both an AM and PM sign in sheet and take the exam at the end of the course. Successful completion of the exam is not a requirement. **Those who do not attend the entire course or do not take the exam will be responsible for payment of the registration fee to ICIAAO. Anyone who registers for the course and cancels within ten days of the class* or who does not attend any part of the course, without specific approval from ICIAAO, will also be responsible for payment of the registration fee. This provision previously has not been enforced but will be enforced starting with the first quarter classes. *Emergency situations will be taken into consideration, and if there is a waitlist and the spot can be filled, no fee will be charged to the person cancelling.**

Registration will be on a first-come, first-serve basis and will be held to a maximum of 50 people and a minimum of 25 people. **No on-site registration will be accepted. This has not been enforced previously, but it will be with the start of the regular first quarter classes.**

A minimum of 25 people must be registered for a class to be held. If we do not have 25 people registered ten days before the start date of the class, the class will be cancelled and you will be notified by e-mail.

The following courses will be offered during the second quarter of 2009:
